AMBER

Produkta kods: AMBER

The SPORTWORK line breaks the concept that safety footwear has to be robust, heavy, rigid and rough, to be completely safe. Inspired by sports fashion, this line stands out for offering flexible, comfortable and light footwear, which allows you to work in total comfort throughout the working day, and also provides that distinctive sporty touch so typical of this type of footwear. An ideal footwear to work safely and with style.

- Waterproof Textile upper
- Level 4 special anti-cut fabric
- Anti-abrasion and anti-friction reinforcements with special super-resistant rubber coating
- Fiber glass, compact non-metallic toe cap
- Non-metallic antiperforation midsole
