CADOR LOW

Produkta kods: CADOR LOW

- Sporty, low-cut ESD safety shoe with a steel toe cap and midsole
Want to get style, safety, and comfort all in one? CADOR S3 gets the job done! This safety shoe is the S3 version within our CADOR family, meaning it is water resistant and suitable for both wet and dry environments. It features a steel toe cap and midsole, ESD properties and an SR slip-resistant outsole to protect you from unexpected hazards. The removable foam footbed combined with our Airblaze technology will keep you feeling fit and fresh, all day, every day. Low-cut model, with embossed accents for a fashionable, sporty look.
- Water-resistant Synthetic Nubuck upper
- 3D-Mesh lining
- Airblaze technology – moisture and temperature management system to provide optimum wearer comfort by keeping your feet dry and comfortable
- Puncture resistant steel midsoles
- Anti-slip sole resistant to oil and fuel
- Protection against electrostatic discharges (ESD)
- Steel toecap
- SJ foam footbed
- Shock absorbing heel

- CE Certified
