- PS Line – Safety Shoes are manufactured using premium Vanguard materials and accessories, ensuring high performance in demanding environments. These shoes are slip-resistant and water-repellent, making them ideal for hostile work conditions.

They feature a composite toe cap and a high-tenacity, non-metallic, multilayer anti-perforation textile that provides maximum flexibility without compromising protection.

Designed with a dual-density polyurethane sole system, they offer excellent comfort, flexibility, and lightness, and are well-suited for wide feet, ensuring all-day wearability and support.
