### RIGGER

Produkta kods: RIGGER

- Non-Metallic Protective Boots for Cold Climates

Designed for durability and comfort in colder conditions, these protective boots feature a cozy faux fur lining to keep feet warm. Built with high-quality craftsmanship, they incorporate the advanced "Apollo" Polyurethane sole for superior insulation and grip.

Equipped with a fiberglass toe cap and "WB Flex" anti-perforation fabric insole, they offer excellent protection without the weight of metal. Anti-static, non-slip, and resistant to impact and compression, these boots ensure safety across demanding environments.

With enhanced ankle support, they provide all-day comfort and stability—making them an ideal choice for everyday wear in tough conditions.

- Breathable Smooth Leather upper
- Water and hydrocarbons resistant
- Thermal fur lining
- Anti-slip sole resistant to oil and fuel
- Fibreglass (E 200 J) toecap
- Puncture resistant midsoles
