

## JŪRAS UN DARBA APĢĒRBS ► ЗАЩИТА ОТ ПАДЕНИЯ

### 21-C ATEX PLUS

Produkta kods: 21CAPE

- The 21-C ATEX Plus Full Body Harness is engineered for marine and offshore personnel operating in environments with potential explosive atmospheres. Designed to provide reliable fall protection, it ensures safety during tasks such as rigging, maintenance, and inspections in challenging maritime settings.

#### Key Features:

- **Fall Arrest (EN 361:2002):**  
Equipped with dorsal and frontal anchoring points for secure fall protection.
- **Design & Materials:**
  - Constructed from high-strength 45 mm polyester webbing
  - Automatic buckles on leg loops and chest adjustment for easy donning and doffing
  - Padded leg loops and reinforced, breathable back protector for enhanced comfort
  - Two rigid material-carrying rings for tool management
  - Protection against static electricity, suitable for ATEX environments

#### Technical Specifications:

- Weight: 1.705 kg
- Max User Weight: 140 kg
- Size Range: Universal
- Useful Life: 15 years from manufacturing date

- CE Certified
- EN 361:1999
- Ex
