

JŪRAS UN DARBA APĢĒRBS ► ЗАЩИТА ОТ ПАДЕНИЯ

21-C ATEX

Produkta kods: 21CAE

- The 21-C ATEX Full Body Harness is specifically designed for marine and offshore personnel working in environments where explosive atmospheres may be present. Built to deliver secure fall arrest functionality, this harness combines ease of use with durable construction, offering protection for crew working on tankers, chemical vessels, or in fuel-handling zones.

Key Features:

- **Fall Arrest (EN 361:2002):**
Dorsal and frontal anchor points provide secure connection to fall protection systems in hazardous locations.
- **Marine-Grade Safety & Comfort:**
 - Automatic buckles on leg loops and chest for fast, glove-friendly adjustment
 - Two rigid material-carrying rings for tools and equipment
 - Made from electrostatic-resistant materials, tested for use in ATEX-classified zones

Technical Specifications:

- Weight: 1.705 kg
- Max User Weight: 140 kg
- Size Range: Universal
- Useful Life: 15 years from manufacturing date

- CE Certified
- EN 361:1999
- Ex
