BORA

Produkta kods: BORA

The SPORTWORK line breaks the concept that safety footwear has to be robust, heavy, rigid and rough, to be completely safe. Inspired by sports fashion, this line stands out for offering flexible, comfortable and light footwear, which allows you to work in total comfort throughout the working day, and also provides that distinctive sporty touch so typical of this type of footwear. An ideal footwear to work safely and with style.

- Hydrofuger Microfiber with TPU reinforcement upper
