SAFETYSTAR LOW

Produkta kods: SAFETYSTAR LOW

The SAFETY STAR S3 LOW is the best priced S3 safety shoe on the market. Engineered with the highest-quality materials, this safety shoe offers a robust steel toecap to protect your feet from falling objects and a SR slip-resistant sole that ensures ultimate grip on both steel and ceramic surfaces. These antistatic shoes prevent the build-up of static electricity, while the oil and fuel-resistant outsole keeps your feet dry and comfortable. With a focus on body posture relief and less sweaty feet, these shoes are designed for multiple usage in construction, and industrial settings. Affordable yet reliable, the SAFETY STAR S3 LOW is your go-to safety shoe for a secure work environment.
